

Indestructible.

Super tough dough trays made of Teflon® enhanced thermo-polymer

Advantages of patented dough-handling systems by WRH:

- ◆ **5-YEAR breakage warranty:** will not chip, splinter, crack or warp.
- ◆ **Teflon® formula makes trays non-stick:** No flour or oil needed.
- ◆ **Very easy to clean:** trays stand up to use of very hot water or steam.
- ◆ **Stacking seal:** eliminates dough crusting during stocking/transport.
- ◆ **Cross stack lock,** a WRH exclusive, simplifies proofing/retarding.
